

Dear Parents/Guardians,

Below is a form which is required by State that needs to be filled out concerning diaper creams and body lotions for your child. To avoid confusion with the two, the body lotion would be used if your little one would need more moisture to their skin (arms, legs, tummies, etc.) As far as the diaper creams, they would only be used on your little ones bottoms for a diaper rash. Please check the appropriate boxes that apply and please put the brand name of the lotion or cream being used.

If you have any questions please give us a call at 237-0344.

Thank You,
Christian Community Child Center Staff
